

Hello Campers,

My name is Brianna Baylis, I will be your dean for mini camp this year! This year will be a bit different than our normal but that's okay! We will still have so much fun. This will be my fourth year being your Mini Camp Dean.

A little background about me, I started going to camp when I was in 4th grade about 12 years old. From the moment I started I fell in love with camp and went every year after. I moved on to be a CIT when I became 16, then counselor when 18, then in 2015 I was on staff working as a kitchen girl. My love and passion for camp has only grown over the years. So I'm very excited to take part in the position of being a camp dean!

This year our theme is "Fearless" This summer's theme --- Of course, we will have fun activities planned, though this year we will be meeting online. We will meet a couple times over the two days to play a game and have a jam session! I also will be providing links to videos of some activities you can do at home at any point this summer.

I'm excited to meet all of you and have a wonderful virtual camp!

Sincerely, Brianna Baylis
